Special Stage 3
Mititai

Date: 6 June 2009
Road Conditions: Thick gravel
Weather: Showers, increasing to rain, wind increasing, temperature dropping

Car 26 – Tomoyuki Nakagawa/Jamie Kibble
Never done a huge stage like that, going well and keeping concentration

Car 39 – Matt Summerfield/Dave Neill
Diesel going strong. But working on gear ratio

Car 34 – Adam Bligh/Dave Devonport
Great stage, a bit of carnage on the bridge blocked up 4 cars, but when we got there we flew straight through.

Car 35 – Lee Stringer/Chris Davison
Apart from Rob Wylie hitting a bridge and pulling the barrier over the bridge and blocking the bridge so we had to shift him and the barrier so we lost two minutes. Crew OK.

Car 33 – Stephen Barker/Brett Lightfoot
We pretty much caught Alex Kelsey not far from the start and followed him for 10k so a bit frustrating but just gotta get on with it.

Car 36 – Alex Kelsey/Dale Perry
Wasn't bad, had to stop and clear Rob Wylie off the bridge. Lost a lot of time.

Car 32 – Glenn Inkster/Glenn Goldring
Yeah, that was good, it's a nice stage, obviously the proofs in the pudding when we see the time but it felt alright. Perhaps we could have gone faster but then we're here and we get to go to the afternoon.

Car 31 – Geof Argyle/Tarryn Cox
Bloody horrible, the things missing like anything it'll only take half throttle, no anti-lag, no nothing.

Car 41 – Glenn Smith/Campbell Ward
Yeah, we were a bit tidier in that one, didn't try as hard as the first two, just want to consolidate our speed. Big scare on stage one, just about went off on Emma's corner, so pulled our head in.
