1. Introduction / Welcome

1.1 Welcome

On behalf of the organising committee for the International Rally of Whangarei, we extend a warm welcome to all competitors and their teams, media and other participants. Your participation in and enjoyment of this prestigious event is important to us and we look forward to working with you to make sure your visit to New Zealand's largest northern city is successful and enjoyable.

In 2012, the International Rally of Whangarei hosts the New Zealand round of the FIA Asia Pacific Rally Championship for the sixth time. The event also forms the first round of the FIA Pacific Cup as well as the first round of the New Zealand Rally Championship. This year the FIA Asia Pacific Rally Championship also features rounds in New Caledonia, Australia, Malaysia, Japan and China.

The Rally Headquarters, Service Park, Ceremonial Finish, Parc Ferme, Media Centre, Scrutineering, Shakedown and the Super Special Stage are again all located within a couple of kilometres of the picturesque Quayside Town Basin in the centre of Whangarei, which is approx. 160 km north of Auckland. The Ceremonial Start again takes place in the Cameron Street Mall in the middle of the city's retail and business district.

For 2012 we have revised the competitive rally route to provide new challenges for drivers while continuing to use the fast and smooth roads so well-known and liked throughout the Whangarei and Kaipara districts. The special stages selected include both new and old stages to provide a fitting challenge and true test of driver ability whether competitors are accustomed to these relatively smooth and cambered roads or are visiting this region for the first time. The Whangarei Super Special Stage at Pohe Island is again used twice on Saturday, helping bring the excitement of rallying into the centre of Whangarei City for local residents to enjoy. Full details are published in Appendix 2 – Itinerary compared to previous years.

The information contained in this Rally Guide is designed to assist you to ensure that your visit to both New Zealand and Whangarei is free of any logistical and operational problems.

If you should require any further information we have assembled a competent and efficient team to assist you so please do not hesitate to contact the Rally Secretariat.

As always the event has been put together with safety and you the competitor in the forefront of our planning and we would like to wish you all a safe, successful and enjoyable rally.

In closing we must also record our thanks and appreciation for the tremendous support that we have received from the region, in particular from both Whangarei City and Kaipara District.

Laurie Brensell
Chairman of the Organising Committee

Steve Foster
Clerk of the Course

1.2 Event History

Rally New Zealand successfully lobbied the FIA in 1988 to create the FIA Asia Pacific Rally Championship. This FIA Regional Championship now runs annually in six countries within the Asia Pacific region.

In the early years the New Zealand APRC round was run as part of the New Zealand round of the World Rally Championship. Then in 2000 the New Zealand APRC round was run for the first time as a standalone event. This event was based in Rotorua and featured the infamous Motu special stage with an auxiliary service park at Matawai. This format was successfully used for seven years.

In 2007 the event was moved north to utilise the fabulous roads previously contested by New Zealand's World Rally Championship event. With the Rally HQ, Finish and Service Park established at the scenic Quayside Town Basin in the heart of Whangarei, competitors, officials and spectators are able to enjoy the great hospitality and facilities of this harbour-side city. The inaugural event was a great success with New Zealand's up-and-coming star Hayden Paddon, then aged 20, winning his first rally after stiff competition from reigning APRC champion Cody Crocker of Australia.

In 2008 the event was the final round of the new Pacific Cup and also counted as the first Pacific Region qualifying event for the new Pirelli Star Driver competition. Former New Zealand rally champions Chris West and Garry Cowan won the event beating Paddon and Crocker. The 2009 event was again the final round of the Pacific Cup and a qualifying event for the Pirelli Star Driver (PSD) competition. After early challenges from another former New Zealand rally champion Richard Mason and multiple APRC champion Cody Crocker, Paddon earned all of the silverware by winning the event overall, the Pacific Cup, the PSD nomination and maximum NZRC points on his way to winning the 2009 Asia Pacific PSD award and NZRC title. In 2010, Paddon won the event for the third time, again taking all the silverware for the Pacific Cup title and the NZRC round victory. The 2011 event was the final round of the Pacific Cup and we saw Chris Atkinson win this prestigious Cup as well as the overall title.

The organising team has enjoyed great stability over many years and continues to receive great support from the Whangarei and Kaipara Council and the Northland Car Club. The organising committee also enjoys positive working relationships with local community groups such as the Maungaturoto Cooperative, which provides many field marshals and volunteers. Our grateful thanks to you all.

7. Import of Vehicles and Spare Parts

Rally and support vehicles, parts, tyres and components can be temporarily imported into New Zealand without payment of Duty and Goods & Services Tax under an ATA Carnet issued by the Chamber of Commerce in the exporting country. The only items that are excluded are expendable products such as oil and promotional giveaways. Any items that are not exported will be subject to payment of Duty (where applicable) and Goods & Services Tax.

New Zealand Customs have made special arrangements for competitors in the International Rally of Whangarei. It is recommended to use ATA Carnets. All values must be at the normal wholesale price in the country of export.

7.1 Freight & Importing into New Zealand

Import Bond – The International Rally of Whangarei has established a Bond with NZ Customs which allows teams to enter all vehicles, parts and equipment using normal commercial invoices instead of Carnets. This procedure is quick and carries no additional costs other than a NZ\$350 processing fee per transaction inclusive of import and export. No further duties or taxes are applicable providing all goods are re-exported at the end of the rally. The only items that are excluded are expendable products such as oil and promotional giveaways. ATA Carnets are acceptable.

Documents should be faxed or e-mailed prior to the vessel's arrival to Malcolm Total Logistics who manage the bond to ensure all procedures are completed and to prevent any possible delays.

Malcolm Total Logistics are the preferred providers of Customs and Forwarding services to the International Rally of Whangarei. For assistance with your customs or forwarding needs please contact:

- Malcolm Total Logistics Ltd
PO Box 53-003, Auckland Airport, New Zealand

7.2 Goods Service Licence

A Goods Service Licence is not required for rally support vehicles brought into the country by international teams. These vehicles are declared mobile workshops and the drivers of these vehicles are not required to maintain driving hours logbooks. Drivers must have a copy of the Exemption Letter contained in Appendix 5 with them at all times.

7.3 New Zealand Vehicle Registration

On arrival in New Zealand, you will need to complete the following steps to enable your registration to be processed:

17.16 Visa requirements

All competitors, service crews and media are required to have a valid passport and a copy of the 'Special Direction' letter upon arrival to New Zealand. This letter may be required at the New Zealand border.

The 'Special Direction' letter issued by Immigration New Zealand on 29 September 2011 (Appendix 4) exempts competitors, service crews and media from obtaining a work permit during their travel to the International Rally of Whangarei and must be carried at all times while in New Zealand. (This letter can also be downloaded from the competitors section of our website).

United Kingdom and Australia

British citizens and other British passport holders who produce evidence of the right to reside permanently in the UK can visit for up to 6 months without a visitor visa to travel to New Zealand.

Australian citizens and people who hold a current Australian Permanent Residence Visa or a current Australian Resident Return Visa do not need a New Zealand Visa to enter New Zealand.

If you are visiting for 3 months or less and are from a country in the list below, you will NOT need a visa:

Andorra	Argentina	Austria	Bahrain
Belgium	Brazil	Brunei	Bulgaria
Canada	Chile	Cyprus	Czech Republic
Denmark	Estonia*	Finland	France
Germany	Greece*****	Hong Kong**	Hungary
Iceland	Ireland	Israel	Italy
Japan	Korea (South)	Kuwait	Latvia*
Liechtenstein	Lithuania*	Luxembourg	Malaysia
Malta	Mexico	Monaco	Netherlands
Norway	Oman	Poland	Portugal***
Qatar	Romania	San Marino	Saudi Arabia
Singapore	Slovak Republic	Slovenia	South Africa
Spain	Sweden	Switzerland	Taiwan*****
United Arab Emirates	United States of America****		Uruguay
Vatican City			

* Visa waiver does not apply to people travelling on aliens' (non-citizens') passports issued by these countries.

** Residents of Hong Kong travelling on Hong Kong Special Administrative Region or British National (overseas) passports.

*** Portuguese passport holders must also have the right to live permanently in Portugal.

**** Including nationals of the USA.

***** Greek passport holders whose passports were issued on and after 1 January 2006. (Greek passports issued before 1 January 2006 are not acceptable for travel after 1 January 2007.)

***** Permanent residents of Taiwan travelling on Taiwan passports.

If you are in one of these groups, you are a 'visa waiver visitor', and you do not need a visitor visa to travel to New Zealand. You need to apply for a visitor visa, but you will do this by completing an arrival card on the aircraft/ship on your way to New Zealand. You must also:

- hold a valid ticket out of New Zealand to a country you have the right of entry to
- have enough money to support yourself during your stay
- hold a passport valid for three months beyond the date you are leaving New Zealand.

The visa you are granted will allow a stay in New Zealand of no more than six months in a 12-month period. The 12-month period is calculated backwards from the last day you intend to be in New Zealand. For example, if you want to stay until 1 December 2009, you should count back 12 months, which will be 1 December 2008.

You must only visit New Zealand for the time granted to you on arrival. If you wish to visit for longer you will need to apply for another visitor visa. If you want to work, or study for longer than three months, in New Zealand you will have to apply for a work visa or a student visa.

WHANGAREI

For those competitors who require a visa please contact the Rally Office and we will issue you with an invitation to the rally and a copy of the 'Special Direction' letter issued by Immigration New Zealand, which will assist with your application for a visa. Please apply for this no later than 6 weeks before your travel date.
