1. Introduction / Welcome

1.1 Welcome

Welcome to the 2017 International Rally of Whangarei, Round 1 of the 2017 FIA Asia Pacific Rally Championship. The dates are 27 to 30 April 2017, this event also comprises Round 2 of the New Zealand Rally Championship.

Once again the rally will be based in Whangarei City at Toll Stadium, just 3 minutes from the spectacular Cafes and Restaurants at the Town Basin and only 8kms from Whangarei Airport. International travellers may prefer the picturesque 3 hour drive north from Auckland International Airport.

Friday night's Ceremonial Start will again be at the spectacular Te Matau a Pohe bridge, adjacent to both HQ at Toll Stadium and the Service Park. The start leads to the Hella Pohe Island Super Stage, this high-profile event will provide an excellent chance to showcase your cars, crews and the event to our VIP's and the public, with great viewing and the opportunity to get up close to the cars, meet the drivers and be amongst the action from the Hospitality Marquee set trackside.

The special stages will once again see crew's tackle stage 'favourites' from previous years and cover around 280km on the fast and smooth roads in the Whangarei and Far North Districts. These driver friendly roads cover some of the most technical and challenging stages in the Championship.

On behalf of the Rally New Zealand Organising Team, the Whangarei Events Team and the Far North district and its friendly people, we look forward to welcoming you to Whangarei and hosting you and your team for one of the greatest sporting events on the APRC circuit.

Willard Martin
Chairman of the Organising Committee

Steve Foster
Clerk of the Course

21.6 Personal Accident Insurance

All New Zealand residents and overseas visitors to New Zealand are covered by 24 hour no-fault personal injury accident insurance, where that accident is deemed to be an accident as defined in the Injury Prevention, Rehabilitation and Compensation Act 2001. Overseas visitors are recommended to have personal travel and medical insurance.

Third Party or Comprehensive Vehicle Insurance is the responsibility of the entrant/competitor.

The service vehicles, management vehicles and reconnaissance vehicles including those bearing special plates issued by the organisers may never be considered as official participants in the rally. They are therefore not covered by the insurance policy of the rally and will remain the sole responsibility of their owner.

Competitors and crew members are covered for public liability under a master policy held by MotorSport New Zealand for an amount of NZ\$10 million. Full details may be obtained upon request to the organisers.

In the event of an accident the competitor or his representative must notify the Clerk of the Course in writing within 4 hours. The competitor must provide full details including the names and addresses of those involved and any witnesses.

Third party insurance:

It is recommended that all competitors obtain a minimum third party insurance on all Rally Cars and Service Vehicles. For further information contact:
